

# Riverside Park Neighborhood Update!

---

## RIVERSIDE PARK RESIDENTS' ASSOCIATION to VOTE on approval of **Neighborhood Character Plan**

The intent of the Character Plan, which has been compiled and completed from neighborhood residents' and city officials' input, is to use the resulting guidelines of the Plan regarding the desired direction of development in the neighborhood. Approval of the Plan will steer anticipated neighborhood development in the proper direction which will reduce conflict between developers and neighborhood residents and maintain and improve the appearance and viability of this in-town neighborhood. Members will be asked to cast their vote to approve the study's recommendations. Consensus on these issues will be used as guidelines and minimum standards in the areas of (1) Architectural Style and Building Topology, (2) Landscaping, (3) Swales and Sidewalks, and (4) Green Building for now and in the distant future. Please attend this meeting and join the Riverside Park Residents Association, if you have not already done so. We look forward to seeing you Sunday, May 6th At 4PM for the General RPRA meeting and to vote on the enactment of this crucial plan

**May 6, 2007, 4:00 PM Sunday, at the Park  
Please be there to Cast your Vote!**
