# PUBLIC MEETING

## PRESENTATION OF THE PROPOSED SOUTH REGIONAL ACTIVITY CENTER - SOUTH ANDREWS (SRAC-SA) ZONING ORDINANCE

6:00 PM - 8:00 PM  
MONDAY, JUNE 28, 2010

Broward General Medical Center  
2nd Floor Auditorium  
1600 S. Andrews Avenue  
Fort Lauderdale, FL 33316

### BACKGROUND:

The South Andrews Avenue Master Plan, developed and approved in 2004, aims to transform the area from a relatively under-used resource to a pedestrian-friendly urban corridor that offers a mix of uses to serve nearby neighborhoods and the hospital district.

An overview of the proposed zoning ordinance, which is an outgrowth of the Master Plan, will be presented. Attendees will have an opportunity to ask questions and speak with project representatives.

Following public input, the proposed ordinance will be scheduled for presentation to the Planning and Zoning Board for review and recommendation to the City Commission.
