

## **TO ALL RIVERSIDE PARK RESIDENTS:**

With respect to the recent survey sent out by the city of Fort Lauderdale on suggested uses of our park pavilion, many residents responded they would like to have **Yoga** and/or **Pilates** classes there.

The City's **Parks and Recreation Department** is working to put a program together and needs further information. Most responses indicated that the following days were the most desirable:

**Saturday** mornings at **9** or **9:30** am

**Tuesday** evening at **6** or **6:30** pm

**Thursday** evening at **6** or **6:30** pm

The approximate cost will be \$9.00 per class for City residents and \$10 per class for non-residents. Usual private studio charges for these programs are between \$10 and \$25 per class.

Unless we have at least ten people for the classes, they won't be able to offer them. If the response is positive, the City will make every effort to start programs in March. Feel free to email friends and neighbors about these classes, too.

Please indicate your preference from the days and times offered above and email to Marie Rock at [MRock@fortlauderdale.gov](mailto:MRock@fortlauderdale.gov) to let her know, so they can collate the information and set up a schedule for the classes.
