Presidents Announcements

- Neighborhood Yard Sale March 27th. Contact Esthel if you would like to participate.

Traffic through the Neighborhood

- Karen Warfel and Shelby Rodriguez from the City were in attendance to hear concerns about vehicle and pedestrian traffic within the neighborhood. Sidewalks around the School, 15th Ave and Grand Drive were discussed. Finding money in the budget is always a problem but the City does have some set aside for this. There are some concerns with the installation of sidewalks due to the heavy vegetation and landscaping in our neighborhood. Speed bumps on 15th Ave will require further approval and traffic studies. Some less invasive mitigation options would be to have raised intersections and crosswalks. If you want to apply pressure on the City to act, contact our Commissioner Ben Sorenson.

Adjourn 8:20 Motion by Ann, seconded by Kim to adjourn the meeting. Motion passed.
